Get Outside for NGSS: Environmental Literacy Workshops

Join **NatureBridge** and **Project Wet** for an exciting exploration of the Santa Monica Mountains and California's pathway to environmental literacy with a focus on the Environmental Principles and Concepts (EP&Cs). The workshops will support your understanding of California's science frameworks and how they emphasize place-based and outdoor environmental learning strategies.

WHEN & WHERE:

9 a.m. – 3:30 p.m., Santa Monica Mountains National Recreation Area

Teachers Grades 4–6 | Saturday, March 17, 2018 | Diamond X Ranch, Calabasas, CA

Teachers Grades 6–12 | Saturday, April 28, 2018 | Circle X Ranch, Malibu, CA

COST: \$20 includes breakfast, lunch, and materials

YOU WILL:

- *Experience* an Environmental Five E (E5E) Instructional Sequence
- *Make sense* of natural systems using the Science & Engineering Practices (SEPs)
- *Learn* instructional strategies with specially designed learning materials which will educate, empower, and support student action on environmental issues
- *Receive* a copy of the **Project Wet Curriculum and Activity Guide 2.0** and access to the Coastal Commission's new **California Coastal Voices: Exploring Coastal Science, Engineering and Policy**, a project learning guide and online toolkit
