

# Save the Date!

## STEMposium 2019

### For K-12 Educators

June 24-28<sup>th</sup> ~ 8:00-3:00pm... **FREE!**

1099 Bedford Dr, Camarillo, CA 93010

Hosted by **CSU Channel Islands** in conjunction with **University Preparation Charter School**

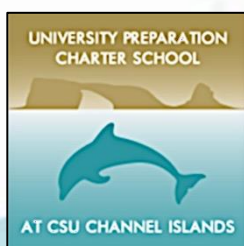

2 Academic UNITS Purchasable from CSU Channel Islands

Participating teachers will...

Experience a *5E* instructional sequence that is specific to your grade, phenomenon based, and integrated with NGSS and Common Core

Collaborate with peers to create your own 5E instructional sequence with guidance from a grade-level teacher leader

Be introduced to dozens of examples of phenomenon and have the opportunity to practice the art of questioning with students
